

Sip & Celebrate

A virtual happy hour for student achievement

Fulfillment Fund's 2021 Sip & Celebrate virtual event will feature inspiring stories of resilience, overcoming adversity, and pathways to brighter futures. Join us as students reveal their college decisions and get ready to be the first in their families to earn a college degree!

Sip & Celebrate guests will have the opportunity to participate in a live paddle raise to support students through our mission. Proceeds from this event make our work possible. We encourage you to secure your sponsorship or tickets early.
