

WHAT DO I PUT ON MY RESUME?

4:20 PM - 5:05 PM

As a college student, it may be difficult to get work experience because of all the other commitments you have. However, you may already have great transferable skills that you can list on your resume.

In this webinar, we will show you how to leverage the experience you already have in order to make your resume competitive.

IT'S ABOUT WHO YOU KNOW

4:20 PM - 5:05 PM

Networking plays an important part in your professional growth. The more your network grows, the more opportunities you have of obtaining your dream job.

Learn how to leverage different tools such as LinkedIn in order to expand your network.

YOUR MAJOR DOESN'T DEFINE YOUR CAREER

5:10 PM - 5:55 PM

Nervous that you may not be in the right major? It can be very hard to determine what field or industry you want to work in and you may be even thinking about changing your major.

During this panel, we will have various professionals whose careers are different than what they majored in. Learn how you can pursue careers outside of your major and how your major doesn't define your career.
